

Nontra Baker Membership Agreement

To provide a safe environment in our unconventional space, all members of Nontra Baker must agree with and promise to adhere to our mission statement, membership policy, and membership agreements. Failing to follow these requirements may result in expulsion from an event and possible revocation of membership.

NONTRA BAKER'S MISSION

Nontra Baker is dedicated to providing sex-positive adult education and events that are designed to foster healthy and diverse sexual expression in a group environment.

MEMBERSHIP POLICY

Nontra Baker is a private club, and due to the nature of its events, membership is by invitation and referral only. If you know someone you feel might be a good fit for Nontra Baker, please contact Fox or mtn grrl at info@KinkyIntimacy.com so we can set a time for vetting them as potential members.

NONTRA BAKER'S MEMBERSHIP AGREEMENTS

The Nontra Baker membership agreement is rooted in a “three C” philosophy.

COMPASSION

Nontra Baker makes every effort to ensure that its members are like-minded in the sense that they are open to healthy and sometimes unconventional sexual expression in a shared experience. However, being like-minded does not mean everyone actually thinks the same way! Members are required to respect all other members' thoughts and opinions at all times.

CONSENT

Verbal and enthusiastic consent is required for ANY interaction at Nontra Baker. Always ask before touching anyone or their possessions. No means No. Period! If someone tells you No, do not ask them again. Please understand and respect their No. (Momentary, inadvertent touch will likely not be considered a violation of this policy.)

CONFIDENTIALITY

Not everyone who attends an event at Nontra Baker is ready to share that information with the world! If you encounter someone you have met here outside of these walls, please respect their privacy. Even a simple acknowledgment might trigger embarrassing questions about the nature of your acquaintance. You must not discuss the events here with people outside of the membership. ***You are not allowed to share the location of Nontra Baker with anyone!***

Fees

The membership fee is \$36 annually. This fee is per person and must be paid at your first event. Guest fees are \$5 per event and must be paid at the event they are attending. Additional fees may be charged for each event and will vary. Membership and guest fees may be paid at the event in cash or via PayPal or your debit/credit card on our website. Event fees must be pre-paid with a credit/debit card or with PayPal. An invoice will be emailed to you before each event you wish to attend.

Nudity and Open Sexual Expression

Many of our events will encompass nudity and sexual activities. Very few events will *require* the nudity of all attendees, and if so, that will be clearly stated in the event description. *Most* events will allow full or partial nudity, so if you are uncomfortable being around others who are nude, Nontra Baker is probably not the place for you! If you are uncomfortable with open sexual activities, please be sure that you do not plan to attend any events that list sexual activities in the description. We are creating a safe space where people can freely express themselves and their unique sexuality, and we want everyone to feel welcome.

Guests

Nontra Baker wants to welcome new members! If you know someone who you feel would be a good fit for membership, you may be able to bring them with you to an event. Please check with Fox or mtn grrl **before** you invite someone to an event as your guest. Some events will have limited attendance, and we want to ensure members have the first opportunity to attend.

If you do get permission to bring a guest to an event, please be sure that they know the rules and expectations of guests of Nontra Baker. They will be asked to sign a guest form and the liability release. Their actions and words will reflect on you, and if they violate these agreements, both of you may be asked to leave, and your membership may be revoked. Guests **must** arrive and leave with you. A guest may only attend one event before they become a member.

Use of Intoxicating Substances

The use of intoxicating substances will be allowed at Nontra Baker **with limitations**. Cannabis use will not be allowed in the common area except for designated events. Except for such designated events, Nontra Baker is not sponsoring parties devoted to just sex and drugs. **Members are expected to self-regulate their own use!** If a person appears too intoxicated to participate in an event's activities, they will not be allowed to do so. Demonstrating that you have a safe way home may be required if you have been using substances. The Baker Historic District is an urban setting, so Uber and Lyft rides are usually only minutes away. Public transportation is also an option, with stops for three major bus routes (0,1,52) within a few blocks of the venue.

By signing this document, I acknowledge Nontra Baker's policies and agree to be held to these standards.
